Dear Dr. Falconer,

We are organizing a branch of the Canadian Club in this town, and have about one hundred men who have signified their desire to join it.

I have been asked by the Committee to approach you, and ask if you will give us the honor of your presence at the Inaugural Meeting, and deliver the address on that occasion.

The date and subject is left with you entirely, and I trust that you may be able to come to us at an early date.

Thanking you in anticipation,

Yours Faithfully,

G. M. Jebbs.

Rev. G. W. Tebbs,  
Orangeville, Ont.

Dear Mr. Tebbs:

Mr. Cochrane has just been in telling me about the successful work that he has done in the Patriotic Movement in Dufferin County. I wonder whether it would not be possible for me to address a public meeting in Orangeville at night, keeping in view this movement. I could then speak to the Canadian Club at noon. This was the procedure at Goderich not very long ago, and I should be quite willing to go up in the morning and give the two addresses.

With kind regards, I am,

Yours sincerely,

President.
